AFRICAN AMERICAN LEADERSHIP SOCIETY

The African American Leadership Society is a local coalition of black professionals and allies who commit our time, energy and financial resources to building a stronger, more equitable community for all. At our core, we are advocates – asking the hard questions, convening critical discussions and acting as a voice for those who often go unheard. We work to build bridges and create equitable opportunities so our community can thrive.

annually

WE WORK TOGETHER TO ADVANCE SOCIAL EQUITY AND SUPPORT UNDERSERVED COMMUNITIES.

WHO WE ARE:

- A group of over 150 black professionals and allies
- Passionate about philanthropy, leadership and service
- Advocates for diversity, equity and inclusion
- Committed to investing at least \$1,000 in our community annually*

*AALS also offers a step-up program which allows participants to gradually increase their gift from \$600 to \$1,000 over three years while enjoying full membership benefits.

JOIN US FOR:

- Meaningful, high-impact volunteer projects
- Exclusive networking, social and VIP events
- Education on critical issues impacting the black community
- Collaboration with influential business and community leaders
- Waived tuition for Project Inclusion, our award-winning board governance leadership development program
