

United Way of South Hampton Roads

YOUNG PHILANTHROPISTS

Young Philanthropists are motivated to make a difference in the community where we live, work and play. We may be newcomers on this philanthropic journey, but our passion is palpable, and we love connecting with others who share our vision. We aren't just Millennials or Gen Zs – we are the hand raisers, the game changers. We tackle critical issues and LIVE UNITED for the 757.
